Eligibility Sample File Guide

Disclaimer:	This sample eligibility file guide is meant as a supplement to, and not as a replacement for the Compass Eligibility Data Specfications available by request from the Voya Financial Technology Services team at EBDataExchange@voya.com
Note:	Eligibility Files are .csv flat-file only format with a header record.

GBPID
field 1

The group number will be provided for every record by the assigned Voya tech. Please include the two leading zeros.

ACCT
field 2

The claim account will be provided by the assigned Voya tech. Please include the three leading zeroes.

EEID
field 3

Please use the **employee's ID number** (or SSN if ID is not available) for all records associated with a particular employee such as the spouse and child records. The same EEID is used for the employee's dependents as to "tie" all the records together.
